

THE SURPRISING HISTORY OF THE **FREEDOM MOVEMENT**

*What sparked the dynamic rise of libertarian thought,
change and influence in the 1960's to today?*

Craig Huey will detail the surprising and unique developments that profoundly created a massive intellectual and political shift from collectivism to freedom.

Libertarian Craig Huey will also provide a vision and course of action using advanced persuasive communication for what he says will be the next major phase of growth of liberty in our culture and politics.
